BRIDAL MAKEUP

You, at your most beautiful.

SHARON McCORMACK | MAKEUP ARTIST

HELLO, I'M SHARON

I've been a professional makeup artist since 2009, working across bridal, fashion, editorial, TV and film, alongside teaching Makeup Artistry.

For me, bridal makeup is never about changing how you look. It's about enhancing what's already there, so you feel beautiful, confident and completely yourself on your wedding day.

Every bride is different, so your makeup is tailored to your skin, colouring, style and the way you want to feel on the day.

CALM • PERSONAL • PROFESSIONAL

A considered approach from your trial through to the final touches on your wedding morning.

KIND WORDS

“I’ve never felt so glamorous, yet still entirely like myself.”

“After a trial with Sharon, my hesitations disappeared. She genuinely listened to my concerns and addressed them with such care - I knew right away she was the perfect person for the job.

Having her there on the wedding morning made everything so calm and enjoyable. She’s incredibly professional, yet makes you laugh and feel completely at ease.

I was absolutely thrilled with the result and would wholeheartedly recommend Sharon.”
